

## Poster Instructions

The International Congress of Airway and Interstitial Lung Disease scientific program consists of both oral and poster presentations. Poster presenters are required to put up their posters at 8:30 AM and keep until 4:30 PM. Poster walk and discussion is scheduled on 1:00-1:30 PM every day.

## Poster Guideline

- Your poster should design at size of 70X100 cm in vertical (portrait) format.
- The proposed poster template is as below:

- Include the abstract title and all authors name and affiliation at the top. Also, assign your department Logo and the poster # on the upper right corner.
- You can find the proposed poster template as PPT file at: <https://www.posterpresentations.com/free-poster-templates.html - postertemplate-70x100>
- Poster boards mounted on stands will be provided by congress and place in designated hall.

- All poster boards will be pre-numbered. Please be certain to mount your poster on the correct board.
- Tape and thumbtack are available at poster boards area.
- Please note that hanging, taking down, and storing of posters is the poster presenter's responsibility as all posters will remove at the end of each day.

### Presentation Publication

All accepted abstracts will be published in a supplementary issue of "Journal of Cardio-Thoracic Medicine". Those who send their full article will enjoy the free rapid review and acceptance from this journal and in case of qualification, will be published in the upcoming issue.
